

Remarks/Arguments

The claims are amended to overcome the formality objections.

The limitations of claim 3, indicated to have allowable subject matter, along with the limitations of claim 2 from which claim 3 depends, are now incorporated in claim 1. Therefore, claim 1 and claims 5 and 7 – 10 dependent therefrom are believed to be in order for allowance.

Claims 4 and 6, also indicated to have allowable subject matter, are now written in independent form and are believed to be in condition for allowance, as are claims 2 and 3 which are amended to now depend from claim 4.

Therefore, it is believed that the claims as now presented are allowable.

In conclusion, it is believed that this application is in condition for allowance, and such allowance is respectfully requested.
